v.

ANSON KLINGER,

Defendant.

**DEFENDANT ANSON KLINGER'S MOTION  
FOR EXTENSION OF TIME TO FILE OBJECTIONS TO PSI**

Defendant, ANSON KLINGER, by and through undersigned counsel, respectfully files this Unopposed Motion for Extension of Time to File Pretrial Motions in this case, and in support thereof states as follows:

1. On March 18, 2002 undersigned counsel had a telephone conference with the United States Probation Officer, Bonita C. Abrams regarding some minor issues in the Presentence Investigation. Ms. Abrams informed undersigned counsel that she has ordered additional documents which clarify some of these issues.

2. The issues in dispute involve a worthless check that was passed on February 2, 1968 where the disposition shows 18 months probation. Mr. Klinger does not believe he was ever placed on probation for anything and that upon restitution the case was dismissed. Additionally, there are three other worthless checks where the dispositions are listed as undetermined. Mr. Klinger advises that restitution was made and that these three cases were also dismissed.

3. Rather than file objections to the PSI, undersigned counsel and U.S. Probation Officer, Bonita Abrams are trying to resolve theses issues before hand. Mrs. Abrams advises that she should have the information during the week of March 25, 2002. Undersigned counsel has spoken with Assistant United States Attorney, Diana Fernandez and she has no objection to this request.

WHEREFORE, Defendant ANSON KLINGER, respectfully requests that this Court grant an extension to file any objections to the PSI until March 27, 2002.

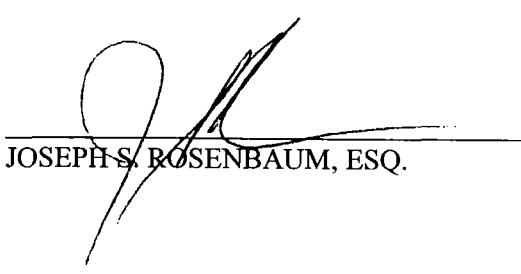

Respectfully Submitted,
